Leonard Cheshire Disability

ann harding cheshire home

Dear Samantha Dunbar,

Thank you very much for your donation of personal protective equipment (PPE) and child rings to Ann Harding Cheshire Home.

We will use the PPE immediately to keep our staff and our residents safe. The child rings are also an excellent addition to our daily activity programs. Your items make a direct difference in our daily operations.

As you know, our facility depends on the generosity of the community to do our work. We cannot do this work without help from kind donors. We appreciate your support and your commitment to our residents. It is because of people like you that the home continues to operate and give good care to those who need it.

Thank you again for your valuable help and for your kindness.

Warm regards,
Tevin Sutcliffe
